Remember!

The Daily Connections (Good Morning God, Spiritual Boost, Good Night Review) open our lives to God's love and direction and power.

Good Morning God should be the first thing we do every day when waking up. The *Spiritual Boost* connects us with God's words in the Bible during the day sometime when we have 10 minutes of quiet. Finally, we finish our day with *Good Night Review*, and this allows God's joy and forgiveness to come to us as we drift into sleep.

These three spiritual exercises take only 20 minutes each day, and you will be amazed at how they affect your life. Give it a try and see how you are fundamentally changed by time with God!
